

Great Finborough and Buxhall under 5's 2024 - 2025 Annual Report

Preschool improvements

We have had some help improving our outside area from local volunteers including wickes, the man shed in stowmarket and a lovely man from stowmarket who just happened to see our advert asking for help in building some bespoke things.

At the moment we are fundraising to have a new kitchen area in the preschool as this area has not been improved for a number of years and is definitely on its last legs.

Attendance

The pre-school is very busy at present with only a couple of sessions with spaces, new places will be available come September. September looks quiet at the moment but we hope to have some more come forward.

Achievements

A big news report on Anglia News of our time spent at Finborough court.

We had a very successful Christmas farye and Santas grotto.

More visits to Finborough court to make some Pumpkin friends, valentine cards, pankcake tossing and eating and egg hunting.

We joined in the big bird watch and world book day.

And raised an amazing amount towards our new kitchen and new ride ons at our easter fund raising events, we had 80 children come to our village Easter trail raising over £600, we raised £75 at our Bogman tombola and Simon Waspe very kingly gave us the £62 raised from the spot the Egg competition. So we are nearly a third of a way to our kitchen update.

Updates

Sadly the mother and Toddler group run my some amazing volunteers over the last 25 years is no longer going due to lack of support.

Finally, I would like to thank the parents, committee and staff for all their hard work and support over the last year. And to everyone that supports our events.

D Prior
Pre school Manager.
