## Suffolk Libraries

At Cabinet on 18 March, the council administration voted to bring Suffolk's libraries back in-house at the end of the current contract for the library on 31 May. Suffolk Libraries, who have held the contract since the service was divested in 2012, were the only bidder for the contract, but negotiations broke down and the council felt it had no alternative but to bring the libraries back under council control. The proposal to do this was passionately opposed not just by Suffolk Libraries, but also Suffolk residents and the many volunteers and Friends groups who work for and raise money for libraries in their communities. Many of them attended the Cabinet meeting and protested outside Endeavour House, or asked questions during the meeting.

Following the Cabinet meeting, both my group and the Labour group submitted requests that the decision be 'called in' – a process by which an issue can be tabled at a meeting of the council's Scrutiny Committee to be looked at more closely. Both the requests were rejected by the council on Wednesday 27 March after being reviewed by the council's monitoring officer.

**SPEEDING ON COMBS LANE;** I have agreed to pay for a speed check and to look at the state of the road there and the number of HGVs. However they have agreed to also to the same for the B1115 Finborough Road as this is where HGVs should be travelling.

Unfortunately they have re-organised the highways support team so I will now have Matt Fox (again after a few years) so he will need time to catch up with issues in my patch

## Local Government Reorganization Proposals

Proposals from all Suffolk councils were submitted to the government by 21 March, Suffolk County Council has announced that it will be proposing one single unitary council for Suffolk. Subsequently, all the district and borough councils have now voted to propose multiple unitaries as their preferred option. All the councils now need to prepare a business case and submit it to the government by September. The government should announce by the end of the year what local government in Suffolk will look like in future.

The plan is for a mayor for Norfolk and Suffolk to be elected in May 2026, and the government's public consultation on a new Mayoral Combined County Authority for Norfolk and Suffolk is open until 13 April if you are yet to share your views. You can fill out the consultation survey here: <https://www.gov.uk/government/consultations/norfolk-and-suffolk-devolution>

## Suffolk Archives Exhibition Nominated for Award

Suffolk Archives' recent exhibition, The Arrivals: Celebrating Migration to Suffolk, has been nominated for Community Engagement Programme of the Year at the prestigious 23rd annual Museums + Heritage Awards.
